To Whom it may concern:

Dear Sir or Madam,

I, Beijia Zhang, as the Permanent Resident of the United States of America, USCIS number 087-693-879, would like to invite my father, Jianguo Zhang, passport number G31978055, to visit me in the USA in this coming December for about two weeks.

The year before last year, I had invited my parents to come to celebrate my graduation ceremony. Unfortunately, they had not made the trip due to the worldwide burst of H1N1 flu virus. Since then I have missed my father so much that I really expect him to come. And I'm excited that he is able to arrange about two weeks for me out of his busy working schedule.

During his visit, my father will be staying with me in our new house as the above address and himself will be responsible for all the expenses including the flights, accommodation, insurance and all the other related expense.

Your favorable help in issuing the tourist visa for my father will be highly appreciated. If you have any further question, please feel free to contact me at the address above or call me at 415-990-1168.

Best Regards,  
Beijia Zhang
